

The Town Council of Snowville Town held its regular monthly meeting at the Snowville Town Hall on **Wednesday April 13, 2016.**

Council Present

Tim Heyder, Mayor
Michael Morgan, Council
Jennifer Webb, Council
Marv Fikstad, Council
Randy Branch, Council
Tammie Morgan, Clerk/Recorder
Stacey Hill, Treasurer

Others Present

Alan Terry, Water Operator

Excused

Mayor Tim Heyder called the meeting to order at 7:00 p.m. He welcomed the council and all others present. Randy Branch led us in the pledge of allegiance and Michael Morgan offered the opening prayer.

Next month's volunteer assignments:

Mayor Tim Heyder called for a motion to accept the agenda.

Randy Branch made a motion to accept the agenda as it is written. Marv Fikstad 2nd. All council members present voted yes.

The minutes were approved from last town council meeting.

Tim Heyder stated that he has had some health issues but things are getting better. He stated that he had talked to the town lawyer, a couple doctors, and our engineer and got their opinions as to whether or not he should stay on as mayor. They all stated that he would be fine acting as mayor. He stated that if the council felt otherwise, he asked them to get together as a council with Mike leading the council and discuss it further.

2016-2017 Preliminary Budget

Mayor Heyder indicated that Tammie and him had spent a lot of time doing this budget. Mayor Heyder indicated that if any department felt they wanted to discuss their budget further could make an appointment with Tammie to sit down with Mayor Heyder and go over it. Mayor Heyder indicated that the majority of the budgets stayed the same. The recreation department received a little more in their budget this year to help with the recreation expenses.

Deputy Jordan

Snowville had 26 calls last month with the Sherriff's Department. There has been an increase of calls already this month.

Youth Council

Tammie contacted the Utah Local Governments Trust about having a youth council. They said it should not be a problem and sent her some information for the town council to review. There are some policies that they may want to adopt to protect the town. Mayor Heyder asked the council to take them home and review them and they would discuss them next town board meeting.

Mayor Heyder asked Tammie if she had contacted the attorney. She indicated that she had and that he did not see any legal problems with having a youth council.

Phoenix Stephan's stated that next council meeting they should have the council decided, they will then come to town council and present their board to them.

Entrance to Snowville Update

The project is now complete. Eric Durstler had the mayor sign the final pay request for the project. He indicated that we came in under budget. Marv stated that maybe we could do something to the parking lot to keep the dust down. He said we could ask the businesses to help pay for this. It will probably be around \$2300.00.

CDBG Grant 2016

Tammie indicated that she received an award letter from BRAG for the \$100,000.00 she applied for. She has to attend a mandatory meeting for training on administering the grant. The meeting is 8 hours and is held in SLC. Tammie indicated we can't start any part of the contractual process of the project until July.

Eric called Amie Ivie with USDA to let her know we are going to need a little more funding for this project. This is an eligible project but all of the funding has been given for this year so we will have to wait for the next year. Eric indicated that this would work we would just need to post pone the start of the project until the funds were available.

Water

Alan indicated that to do the testing on the new well it will cost around \$1765.00. The council agreed to get it done.

Alan stated that they are wanting to update the billing software. Alan needs to get it arranged. He will let the council know when he gets that set up. Alan also asked about a metal detector it is \$895.00. this could be used for all departments.

Jennifer Webb made a motion to purchase the new metal detector for \$895.00. Marv Fikstad 2nd. All council members present voted yes.

Landfill

Randy thanked AJ Morgan for pushing the dump up and the fire fighters for burning it. Randy asked AJ to push the burned stuff into the pit.

The town council agreed to have the free dump day on Saturday May 14th from 8am-8pm. This will be for all community members. Mayor Heyder asked what could be dumped at the class IV dump. Tammie will look into it and put it on the flyer for advertisement. Mayor Heyder asked for the council to help man the dump that day so Randy does not have to sit down there all day. Mayor Heyder stated the bin is $\frac{3}{4}$ full and asked Tammie to call and get Rupp's to bring another one out before the free dump day.

Mayor Heyder stated it might be a good idea to open the dump up one day a week during the summer. He asked the council to think about this for next town meeting along with possibly

charging more when people dump things like couches and other big objects. He felt that we maybe should charge a little extra because they take up so much room in the dumpsters.

It was also decided to have a community cleanup in conjunction with the church. The church will have their clean up on Monday May 9th starting at 5:00 and then having dinner around 6:30 after. Marv will get the garbage bags from Keith Oman. The church will provide the dinner.

Ambulance

Tammie stated that there were \$10616.74 charges entered for March and \$9374.76 was revenues collected. Mike Morgan hasn't heard anything about the x-12 yet. He will continue to try to get ahold of them.

Andrew Webecke said there was some confusion last year on the way the EMT's were paid. He will talk to the Mayor after the meeting.

Fire

Andrew indicated they have had a couple of controlled burns for training last month.

Planning & Zoning

Tammie indicated that she received an email from the lawyer with a rough draft of the ordinances. She will send a copy of them to each council member via email. Mayor Heyder suggested everyone go through them and then schedule a time to go through them together with everyone's questions and thoughts. Richard Webecke asked if this was something only the town council could vote on or if the citizens could as well. Tammie indicated that there would be public hearings to discuss these before they are passed. Richard stated if we were going to be like Salt Lake City then he would move back to Salt Lake City because he moved out here to get away from all of that stuff. Mike Morgan explained we were not changing things we were just having the attorney go over them because they haven't been updated in a long time. Andrew asked if he could get a copy of the ordinances and Tammie indicated he could come into the office and review them there.

Old and Other New Business

Citizen Concerns

Tim thanked Jennifer for the Easter egg hunt. He stated it is a great thing for the whole community not just Snowville.

Mayor also stated that he would like to see a veteran memorial done possibly by someone looking for an eagle project to do. He also suggested a designated spot in the park for dogs. This will make the park more inviting.

Tammie said she received a notice from the BEC fair department and they are looking for someone to do a community pride booth from our community. Phoenix Stephan's stated the youth council would do it.

Eric indicated that he got ahold of someone from FEMA and they will be out on May 11th at 1:30 p.m. to discuss the councils concerns on the flooding.

Mike Morgan said he needs permission to fix the Zoll machine it will cost \$1968.46. It needs an approval to fix it.

Jennifer Webb made a motion to fix the Zoll machine for the ambulance in the amount of \$1968.46. Randy Branch 2nd. All council members present voted yes.

Tammie will send them an email to get this process started.

Acceptance of Expenses

Jennifer Webb made a motion to pay the expenses. Marv Fikstad 2nd. All council members present voted yes.

Adjourn

Randy Branch made a motion to adjourn. Jennifer Webb 2nd. All council members present voted yes.

The meeting adjourned at 8:09 p.m.

Tammie Morgan, Clerk/Recorder
